3. All bicycles must be certified by race officials prior to the competition.

Playing Rules

1. Starting times for the time trials will be at equal intervals (one minute or less). No allowances will be made for mishaps, mechanical or otherwise.
2. Starting order for the time trials is by random selection.
3. If a rider appears later than the appointed starting time, the start will be allowed only to the extent that in the judgment of the officials it does not interfere with other riders starting on schedule. If it does interfere, the rider may be further delayed. In case of a late start, the appointed **starting** time shall be used in computing results.
4. The start sheet with the starting order and appointed starting times will be available for the rider's perusal at least one (1) hour before the start of each event.
5. The road races will be mass start at approximately ten (10) minute intervals by age division and gender with combinations when needed.
6. Helmets are mandatory (ANSI or Snell approved with sticker affixed). Multi-gear (free wheel) bikes with front and rear brakes are required. Fixed gear bicycles are not permitted.
7. There may be no protective shield, faring, or other device on any part of the bicycle (including, but not limited to, the frame, wheels, handlebars, chain wheel or accessories) that has the effect of reducing air resistance, except those allowed by the USCF.
8. If in doubt about your qualification, check for an official ruling from the Sport Coordinator before your appointed starting time. Once the clock begins, your time is running and will not be adjusted.

Cycling Rules (cont.)

9. In time trial events, the rider **may** be held by an official at the start, but shall be neither restrained nor pushed.

11. In time trial events, no rider shall take pace behind another rider closer than 25 meters (80 feet) ahead, or 2 meters (7 feet) to the side. A rider who is observed taking pace shall receive a time penalty.

13. No restarts are permitted.
