Parkinson's Foundation Seeks Volunteers for Parkinson's Moving Day Event

The 2023 Parkinson's Moving Day event will take place on Saturday, May 20th at 9:30AM at The Montecito Santa Fe. Volunteers will be needed before, during and following the event. **If you want to volunteer for this year's Moving Day, contact Robin Rhea at rrhea@parkinson.org**

Moving Day is an inspiring annual fundraising walk event uniting people around the country living with Parkinson's disease (PD), their care partners, and loved ones to help beat PD. Moving Day is more than just a walk. It's a celebration of movement, a proven way to help manage Parkinson's symptoms. Leading up to the event, participants and teams fundraise to help the Parkinson's Foundation provide everything people with Parkinson's need to live better. Funds help provide lifesaving resources to deliver quality care to people living with Parkinson's and work to improve research on Parkinson's treatments.
