Basketball 3 on 3 Playing Rules

1. Teams that forfeit ALL pool play rounds shall not be permitted to advance to bracket play, NO EXCEPTIONS.
2. Any game missed/forfeited during bracket play will be considered a loss.
3. Teams must have a minimum of three players on the floor to start a game. Teams may continue/finish with a minimum of two players on the floor.
4. The game shall be played on half court by two teams of three players each, with a maximum of seven substitutes.
5. The winner of the coin toss shall take first possession of the ball. Possession at the start of the second half shall be determined by the possession arrow. Ball possession changes hands after each basket unless a technical or personal foul is awarded.
6. Officials do not put the ball in play, except at the start of each half. The referee will handle the rebound of the first free throw (first and second free throws if three shots are being taken) and then will not handle the ball after the last free throw.
7. **Scoring and Timing Regulations:**
 - a) Playing time shall be two halves of 15 minutes for all age groups. There shall be a continuously running clock with an intermission of five minutes for half-time. In the last two minutes of each half, the clock will stop in accordance with normal basketball rules. The clock also stops after a made basket during the last minute of the second half.
 - b) A tie score at the end of regulation time will result in a three-minute overtime period. During the first overtime period, the clock will stop in accordance with normal basketball rules, and after a made basket during the last minute. If the game is still tied at the end of the first overtime period, a final overtime will be played with a sudden-death format; the first team to score will win. Ball possession will be determined by a coin flip for each overtime period. There will be a one-minute intermission before each overtime period. All individual and team fouls carryover into overtime.
 - c) Two time-outs are permitted per team, per half. Timeouts do not carryover from one period to the next. If a game proceeds to overtime, each team shall receive no more than one additional time-out, regardless of the number of overtimes. Time-outs shall be 60 seconds in duration. The clock will not run during time-outs.
 - d) Three-point shots are allowed. The three-point line distance for both men and women will be 19 feet, 9 inches.
 - e) A five-second closely guarded violation may be called against an offensive player holding the ball when that player does not pass, shoot, or dribble within that time. To be considered "closely guarded", a defender must be in a defensive position and located within six feet of the player.
8. **Throw-In Area and Ball In & Out of Play:**
 - a) The game shall be played using the three-point line as the "check line." The ball shall be returned to a point behind the check line after each change of possession as follows:
 - b) After a made basket and all dead ball situations, the ball shall be placed in play from the top of the key ("throw-in area"). The ball must be advanced into play by means of a pass to a teammate. Violation of the throw-in area by the offense results in loss of possession.
 - c) After a turnover or defensive rebound, the ball may be returned to any point behind the check line. The player returning the ball behind the check line shall be in possession of the ball with both feet behind the line. The ball does not have to pass behind the 3-point line; only the player's feet.
 - d) The penalty for attempting a shot before returning the ball successfully behind the check line shall be loss of possession.
 - e) The player who returns the ball behind the three-point line may maintain possession and attempt to score.

Basketball 3-On-3 Rules (cont.)

9. Player Restrictions When Inbounding Ball:

- a) Following a made basket or dead ball, the ball shall be put in play within five seconds from the time the ball is in the “throw-in area”, regardless of whether or not the inbounder has taken possession of the ball. If the ball is not put in play within five seconds it shall be a violation, and possession shall be awarded to the defense with no change in the possession arrow.
- b) The inbounder must stay within the designated “throw-in area,” which shall be the space at the top of the key with a width no less than the free throw lane extension area (12 feet wide) and a depth no less than 5 feet from the top of the three-point line.
- c) The defense may defend anywhere on the court, however, no player (offensive or defensive) may enter the “throw-in area”, which is considered out-of-bounds.
- d) The inbounder may not hand-off the ball to a teammate.
- e) The inbounder’s teammates may not enter the three-second lane to receive a pass or set a screen until the inbounding teammate actually takes possession of the ball at the throw-in area; they may cross and exit the lane to reposition themselves prior to the inbound pass.
- f) The 3 second lane count and the 5 second throw-in count shall not begin until the defensive team (now the new offensive team) takes the ball behind the three-point arc.

- a) Substitutions may be made after a basket, foul shot, stoppage of play, and any time an official beckons the player onto the court.
- b) Players MUST be beckoned onto the court by the referee. Entering the court without being beckoned will result in a warning from the official; all subsequent violations will result in a technical foul and loss of possession.
- c) Both the offensive and defensive team may substitute after the first free throw of a two-shot foul, and after the second free throw of a three shot foul.
- d) The defensive team can only substitute after a made basket or free throw, (when it is the final free throw taken) and ONLY if the offense is substituting at that time. Violating this rule will result in a warning from the official; all subsequent violations will result in a technical foul loss of possession.
- e) On all stoppage of play (i.e., violations such as traveling, double dribble, three seconds, or out of bounds, etc.) either team can substitute as long as they request to sub prior to the inbounder having the ball in the throw-in area.

- d) Any shooting foul with a converted basket shall result in the basket being awarded along with one free throw, and the offended team will retain possession.
- e) Any player control foul shall result in disallowing a converted basket, recording the foul and a change in possession.
- f) Prior to the seventh team foul, any common foul shall result in loss of possession for the offending team.
- g) All personal and technical fouls shall be counted against a team total (except for unsporting technical infractions-see below). On the seventh team foul, a bonus shall be awarded for the remainder of the game.

If a shooting foul occurs during the running time part of the game:

- a. All players will remain behind the arc and the offense will re-gain possession of the ball, even if the clock goes to the two-minute mark. At that time, the clock will stop until the ball is put in play again from the throw-in area.
- b. All the players behind the arc may cross the arc once the shooter releases the ball. The shooter may cross the free throw line after the ball strikes the rim, flange or backboard or retrieve the ball upon completion of the last free throw.
