MESSAGE FROM THE DIRECTOR

To all our incredible athletes, I want to express my heartfelt gratitude. Senior Games in New Mexico thrive because of your enthusiasm and dedication. Your participation is the heartbeat of our event, and I am truly grateful for each and every one of you. The New Mexico Senior Olympics, also known as Senior Olympics, has not only survived the challenges posed by the pandemic, survived the National Senior Games in New Mexico and despite staff shortages and the unique obstacles faced, our organization has stood resilient, thanks to the collective efforts of our amazing team. I am elated to share a remarkable achievement with my state coordinator colleagues. In 2023, New Mexico witnessed the participation of 1200 athletes, defying the trend seen in many states that experienced a drastic decline. This success is a testament to the perseverance and spirit of our athletes and supporters. The 2024 New Mexico Senior Olympics Board of Directors is under the leadership of Dick Griffith. Dick Griffith has served the State Senior Olympics organization for over 40 years. As a founding member and recently re-elected leader, Dick's commitment, and hard work, especially during Summer Games and Team Tournaments, go above and beyond the call of duty. We are fortunate to have him leading our organization. I extend my deepest gratitude to the entire Board of Directors for their unwavering dedication and tireless efforts in supporting the New Mexico Senior Olympics. Meeting by Zoom when necessary and traveling to attend bi-monthly meetings to ensure the integrity of the organization, is addressing the scope of work required by funding grantors. Your commitment has been instrumental in the success and resilience of our organization. This year, in an effort to make participation more accessible, I am thrilled to announce that the New Mexico Senior Olympics is implementing a limited-time discount. We hope this initiative not only makes the Games more affordable but also encourages even more athletes to join us in celebrating the spirit of competition.

Sincerely,
Cecelia Acosta, Executive Director
New Mexico Senior Olympics, Inc.

GAME INFORMATION

New Mexico Senior Olympics Annual Summer Games is open to all 50+ seniors, in-state or out-of-state. Athletes must register in advance before the established deadline and sign a game waiver to compete. This year State athletes are not required to participate at local games to register for Summer Games. NMSO strongly encourages athletes to compete in Local Games held at any of the 14 sites throughout New Mexico to be versed on the latest playing rules, and to learn sport playing format prior to state competition. Local Games are open to all regardless of the county you reside in.

Out-of-state athletes can compete in only the sports that are offered at National Senior Games. See Sports Descriptions for notation of sports offered at Nationals and registration form for all applicable event fees. As an OPEN State, awards will be presented for overall winners. Game results will reflect overall winners in each age division. State Game records will be maintained for in-state winners only.

As we continue to build our numbers post pandemic again, some sports may not have sufficient registrants to conduct a tournament. NMSO Game Management reserves the right to cancel a sport on the Competition Schedule that does not meet the required number of registrants to conduct the Sport(s). NMSO Game Management will announce by May 15th which sports will be impacted. In the event an athletes' sport(s) is cancelled, and it is the only sport(s) registered, athletes will be entitled to a full game refund.

SCHEDULING

Check for ongoing Schedule and Game updates on NMSO website at www.nmseniorolympics.org. Game time is forfeit time. It is the athletes' responsibility to carefully select their events to avoid conflicts for their competition. Play will not be held up. NMSO is not responsible for finding partners for athletes.

Partner changes can be requested until May 15th so Sport Coordinators can develop brackets. After this date, partner changes can only be made on-site provided the reason for change meets these criteria.

1. Partner is out due to a medical reason or injury; documentation will be required.
2. Partner did not attend the Games.

Partner can be changed if it does not change the age category and the new partner is registered for the Games. On-site partner change(s) are to be made thirty minutes prior to game time with the Sport Coordinator at the sport venue and confirmed by Game Headquarters with a phone call.

CHECK-IN AT SPORT VENUE

At each sport venue is a check-in table with an event listing/sign-in of eligible registered competitors. Every athlete must check-in and sign on the line next to their name. This will be confirmation that the athlete is registered in that sport/event. In the event an athlete does not appear on the event listing, the athlete may produce an entry confirmation form or call Game Headquarters for verification of registration for that sport/event.

SPORT COORDINATORS

Sport Coordinators are New Mexico Senior Olympics' finest game volunteers entrusted to manage the various 25 sport tournament competitions, in accordance to national governing playing rules and playing format that adheres to National Senior Games and State Games rules. Athletes may contact individual Sport Coordinators after May 25th for any specific tournament format that is not addressed in the athlete registration booklet. In the event an athlete competes out of scheduled times, athletes will risk being disqualified.
