Applicant certifies,

I am age 60+, in need of financial assistance to attend the Games, and I did not receive a scholarship in 2023 or 2024. I support the mission of the Games at local, state, and national levels. As a Game participant I honor the known Senior Game athlete's pledge of sportsmanship conduct in safe play and will follow appropriate precautions. I understand I must attend the Games for the scholarship to be valid. I agree to return if I am unable to attend.
