Greetings from the Director

Athletes-the year 2025 will go down in the books as the year of expansion. As many of you know the New Mexico Senior Olympics Board of Directors voted to expand the State Games and we added a second State Games for the participants living in Northern New Mexico. The State Games North were held in January in Santa Fe and attracted 460 registered participants. We conducted 15 sports, and we registered 209 “new” first year athletes to our Games. Still to go for 2025 is the State Summer Games, three Team Tournaments and National Senior Games for our New Mexico athletes planning to compete in Des Moines, IA, in July. The NMSO State Summer Games will remain the largest multi-sport event in the state for senior adults 50+ and we thank you for participating. The State Games and Team Tournaments in New Mexico continue to attract out-of-state participants as they enjoy the camaraderie and competition that the games offer. We hope you will join us at the Opening Ceremony Celebration, Wednesday, June 18th at 6:00pm, to be held indoors at the Las Cruces Convention Center Ballroom, to help kick off the 2025 State Summer Games. Good luck to everyone! Athletes, join me in thanking the NMSO Board and Event staff for the great job that they do at each event.

Respectfully,
Cecelia Acosta, Executive Director
New Mexico Senior Olympics, Inc.

General Game Info

New Mexico Senior Olympics State Summer Games is open to all 50+ seniors, in-state or out-of-state. Athletes must register in advance before the established deadline and sign a game waiver to compete. NMSO reminds athletes to check out and compete at Local Games held at any of the 14 sites throughout New Mexico to be versed on the latest playing rules, and to learn sport playing format prior to state competition. Local Games are open to all regardless of the county you reside in.

Out-of-state athletes are welcome to register for all sports held at the '25 State Summer Games. As an OPEN State, awards will be presented for overall winners. Game results will reflect overall winners in each age division. State Game records will be maintained for in-state winners only.

As we recognize, some sports may not have sufficient registrants to conduct a tournament. NMSO Game Management reserves the right to cancel a sport on the Competition Schedule that does not meet the required number of registrants (approximately 25) to conduct the Sport. NMSO Game Management will announce by May 15th any sports that may be impacted. In the event an athletes' sport(s) is cancelled, and it is the only sport(s) registered, athletes will be entitled to a full game refund.

Game Schedule

The registration booklet provides a Game Schedule that is subject to change as planning is finalized. Athletes should check for ongoing Schedule and Game updates on the NMSO website at www.nmseniorolympics.org. It is the athletes' responsibility to carefully select their events to avoid conflicts for their competition. Play will not be held up. In the event an athlete competes out of scheduled times, athletes' risk being disqualified. Game time is forfeit time.

Medical Insurance

Proof of Medical/Health Insurance is the responsibility of each participant in the event of an emergency.

Athlete Check-In

Athletes plan to check-in at the Las Cruces Convention Center at Game Headquarters. Athletes must bring a photo ID with date of birth. Athletes will receive a game shirt, and game credentials. Athletes are requested to wear credentials during competition. Game athletes/guests can pick up prepaid parking permits at Athlete check-in as ordered on your registration form.

At the Convention Center will be sports information tables that include event updates, course maps and bracket information along with driving directions to your specific sport venue. Check our website for sport brackets after May 30th.

Hours for athlete check-in are provided in the event schedule. For all questions/inquiries contact game headquarters at 1-888-623-6676 or 505-392-6305. An athlete cannot check-in for another athlete. An athlete may go directly to their competition without coming to Athlete Check-In and will be required to present a photo ID at the sport venue check-in. Registered athletes not attending the State Summer Games forfeit game collateral.

Campus Parking

A current New Mexico State University parking permit is required to park in NMSU parking lots or along any street on campus, the only exceptions are vehicles with properly displayed handicap placards and vehicles with state government plates. Purchase a parking permit on the registration form. Permit regulations are enforced between the hours of 7:30 a.m. and 4:30p.m. Monday through Friday.

Game parking will be allowed at all parking lots on campus with a properly displayed parking permit except where noted for staff or service vehicles. Dormitory occupants/guests will require a parking permit at Piñon Hall.

Athletes/Guests may obtain online a free, 1 day e-permit at <http://www.park.nmsu.edu/visitor>. E-Permits are the responsibility of each Participant. Parking in restricted areas is monitored, and citations will be issued. Campus Police station headquarters is located on campus at NMSU Bookstore, 1400 E. University Ave. for all parking issues.

Age Divisions

A Participant's age as of December 31, 2025, will determine age divisions. Age categories are in five-year age divisions, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94, 95-99 and 100+.

Partner events age categories are 50+, 55+, 60+, 65+, 70+, 75+, 80+, 85+, 90+. Age categories for doubles and teams will be determined by the youngest player as of December 31, 2025.

Registration changes

Registration event changes are allowed when an athlete requests to delete or add an event, or to request a partner change. Event and partner changes must be received in writing by May 22nd. A telephone call requesting a change(s) is no longer valid. Athletes are responsible for verifying their request for change(s) are received and processed.

Partners

A partner's name must be indicated on the entry form to be valid. In the event, your partner is not listed for the event, you will not be entered in that event until partner information is provided. The deadline to finalize partner registration details is May 22nd, no exceptions.

The Partner changes deadline is vital, in order for Sport Coordinators to build playing brackets. After this date, partner changes can only be made on-site provided the reason for change meets these criteria.

1. Partner is out due to a medical reason or injury; documentation will be required.
2. My partner did not attend the Games.

Partner can be changed if it does not change the age category, and the new partner is registered for the Games. On-site partner change(s) are to be made thirty minutes prior to game time with the Sport Coordinator at the sport venue and confirmed by Game Headquarters with a phone call.

Sport Venue Check-In

At each sport venue there is a check-in table with a SIGN IN Sheet of registered competitors. Every athlete must check-in and sign on the line next to their name. In the event an athlete does not appear on the event listing, the athlete may produce an entry confirmation form to the Sport Coordinator or call Game Headquarters for verification of registration for that sport/event.

Sport Coordinators

Sport Coordinators are New Mexico Senior Olympics' finest volunteers contracted to manage the various sport competitions, in accordance with national governing playing rules and playing format that adheres to National Senior Games and State Games rules. Athletes may contact individual Sport Coordinators after May 30th for any specific tournament format that is not addressed in the athlete registration booklet. Sport Coordinators are trained to not accommodate individual athlete's schedule requests onsite and are required to adhere to posted event schedules. In the event an athlete competes out of scheduled times, athletes will risk being disqualified.

DEADLINES & CANCELLATIONS

Registrations are accepted through midnight on **May 15th**. All registration fees are NON-REFUNDABLE except for Housing/ Dining Packages. Housing/Dining cancellations will incur a one-night fee. The deadline to add or cancel Housing/Dining is **May 15th**.

Medals

Awards will be presented for first, second, and third place as overall finishers per age division and gender. Athletes not competing in their scheduled age group will not be considered for medals. Athletes are strongly encouraged to stay for award presentations at the conclusion of each event. Awards will only be presented to the athlete or the local game coordinator in the athletes' absence. Any unclaimed medals can be picked up at the Game Headquarters through Saturday, June 21st, at Noon. Post games, check with your local coordinator for any unclaimed medals. For a complete read on the playing rules for awards, tie breakers, etc. see general rules of the NMSO official rulebook, section R.

Game Protests

Any person desiring to file a game protest regarding any aspect of competition shall first make such protest to the Sport Coordinator of the competition in question. All protests must be in writing and submitted to the Sport Coordinator with a copy to the Game Headquarters within 24 hours of the conclusion of the sport competition. Game Management, along with Game Arbitrators will evaluate the protest and render a decision. All decisions by NMSO Game Management are final and not subject to further appeal.

Game Results

Each Sports Coordinator will provide game results to Game Headquarters at the conclusion of the event and preferably for daily posting. All game results are considered preliminary until results are verified by the game registration team. Each Sport Coordinator is encouraged to post results onsite. Results will be posted on the NMSO website and available for local media. The result verification process includes results to be presented and adopted by the NMSO Board of Directors at the annual board meeting, scheduled for October.

Inclement Weather

Senior Olympic events will be conducted rain or shine unless it is unsafe to do so. Call your Sports Coordinator for updates. There will be no refunds for cancellations which are due to inclement weather.

Spectators

Spectators are welcome at all sporting events. Spectators are expected to refrain from interfering with or assisting athletes during actual competition, which could result in the athlete being disqualified.
